- * Upon request, we can open the camp's bookstore and canteen (snack shop).

Accommodations:

MAIN BUILDING: Large kitchen area includes commercial stove/oven/griddle, walk-in cooler, 3-door freezer, all dining utensils, plus all of the appliances needed to cook your meals. Our staff will typically wash the dishes for you! The Main Building also holds our chapel area, office, canteen, game area, and rest rooms.

KITCHEN & DINING HALL: **New for 2010!** Lord willing we will have a new dining area with a seating capacity of 200. This building will have a/c for the summer and heat for the winter.

BOY'S CABINS: These four cabins are rustic (no plumbing or a/c) and can house 14 people each.

BOY'S BATHHOUSE: A short walking distance to each of the boy's cabins.

NURSE'S CABIN: This cabin is air-conditioned and has one queen bed. We have recently (2007) installed a new rest room facility in this cabin. The backside of this cabin is a classroom.

DEAN'S CABIN: There are three separate rooms, each with an outside exit. The two smaller rooms (approx. 10'x12') are suitable for a couple. The larger room has one bunk bed and two or three single beds. All rooms in this building are air-conditioned.

CAMPSITES: We have four primitive camping sites that would accommodate electric and septic hook-ups (no water).

SPEAKER'S & COOK'S CABIN: Each cabin is air-conditioned and has rest room and shower facilities in it. Each cabin has a minimum of a queen bed and a bunk bed.

BERGLUND CABIN: Named after a pioneer missionary, this is typically where our missionary stays. This cabin was newly remodeled in 2005. This cabin has air-conditioning and enough bedding for five people.

GIRL'S 1-6 CABINS: These six cabins are rustic (no plumbing or a/c) and can house a minimum of 10 people each.

GIRL'S BATHHOUSE: A short walking distance to each of the girl's cabins.

Nearby Attractions:

- Blue Earth (18 miles south) is home of the Jolly Green Giant statue.
- Mankato (30 miles north) hosts the MN. Vikings training camp every July plus many areas to shop and dine. In the winter many youth groups stay with us while they ski Mt. Kato.
- Fairmont (30 miles southwest) has many lakes as well as shopping and dining facilities.
