BACKGROUND CHECK

Because we take very seriously our legal, moral and Biblical responsibility to provide a positive experience for all of our staff and campers, we seek to maintain a staff of blameless character and testimony. Therefore, as part of our background check on applicants, we will consult law enforcement agencies. In order to proceed with a background check, we need the following information (on separate sheet of paper):

- * Cities and states of residency within the last ten years.
- * In what state are you currently licensed to operate a motor vehicle?
- * List your operator's license number and type of license.
- * Do you have any reason to believe that such a background check on you would discover any negative information? If so, please explain.
